Telegram No. 182 (Code)

Re Control of the activities of adventurers in connection
with the Nakamura Incident.

We have heard that Colonel ITAGAKI and others of the Kwantung Army at your place are exerting themselves in various activities recently with considerably ample funds and are manipulating Japanese adventurers in China and members of the "Kokusui-Kai"; and that in view of the tardy progress of the negotiation regarding the Nakamura Incident, especially, they have decided on some concrete move around the middle of this month. We hope that it is merely a rumour. However, in consideration of the appearances of excitement on the part of the despatched military authorities it would be very regrettable from the point of the general situation, if they ruin the position of the Empire by behaving rashly, therefore, please take further deliberate steps for controlling the activities of the RONIN /T.N. adventurers/ and the like.

We have conveyed the gist of this telegram to the army also.
